Foreword

"God pity them both; and pity us all
Who vainly the dreams of youth recall
For of all sad words of tongue or pen
The saddest are these: 'It might have been!'"

John Greenleaf Whittier

The years after graduation will be the most important ones of our lives. We must set our goals carefully and then strive to attain them. In order to make our youthful dreams become reality, we must work. Our quest to fulfill these dreams will be difficult, but not impossible.

Maturity and flexibility are the primary elements which will determine our success or failure. The world is ever-changing, and, in order to succeed, we must have the maturity to face it without qualms and the flexibility to change with it. If we hesitate or become complacent, our dreams will shatter, and we will be heard vainly echoing regret that "It might have been!"

The 1965 Greyhound annual is proudly dedicated to Mrs. Florence Robinette. We were sorry she left the teaching profession but behind her, she leaves many happy memories.

She inspired many students with her patience, willing help, hard work, smile, and friendly personality. She never complained about her hard work but actually enjoyed it. She was a friend to all as well as a successful teacher.

No words can express our sincere and humble gratitude for her many years of service, and by dedicating the Greyhound to her, we hope to express our appreciation and best wishes.

As far as construction is concerned, it has always been for the good. The Old Throckmorton High School shown here will be torn down to give way to a new modern one which will contain a new auditorium with a seating capacity of three hundred.

The new library of T.H.S. will furnish the student body and faculty with a very good reference collection. There will be new science and home economics laboratories as well as comfortable and convenient class rooms. This school building will be the result of the citizens of Throckmorton County striving for the betterment of its educational system.

"By Wisdom a house is built,
and by understanding it is established;
By Knowledge the rooms are filled
with all precious and pleasant riches."

Proverbs 24: 3-4

Superintendent's Message

MR. B. R. HURLEY
Superintendent

Mrs. Johnson fills an important function in the efficient operation of our school. She takes care of school money, makes school reports and serves as "Mr. Hurley's right hand man."

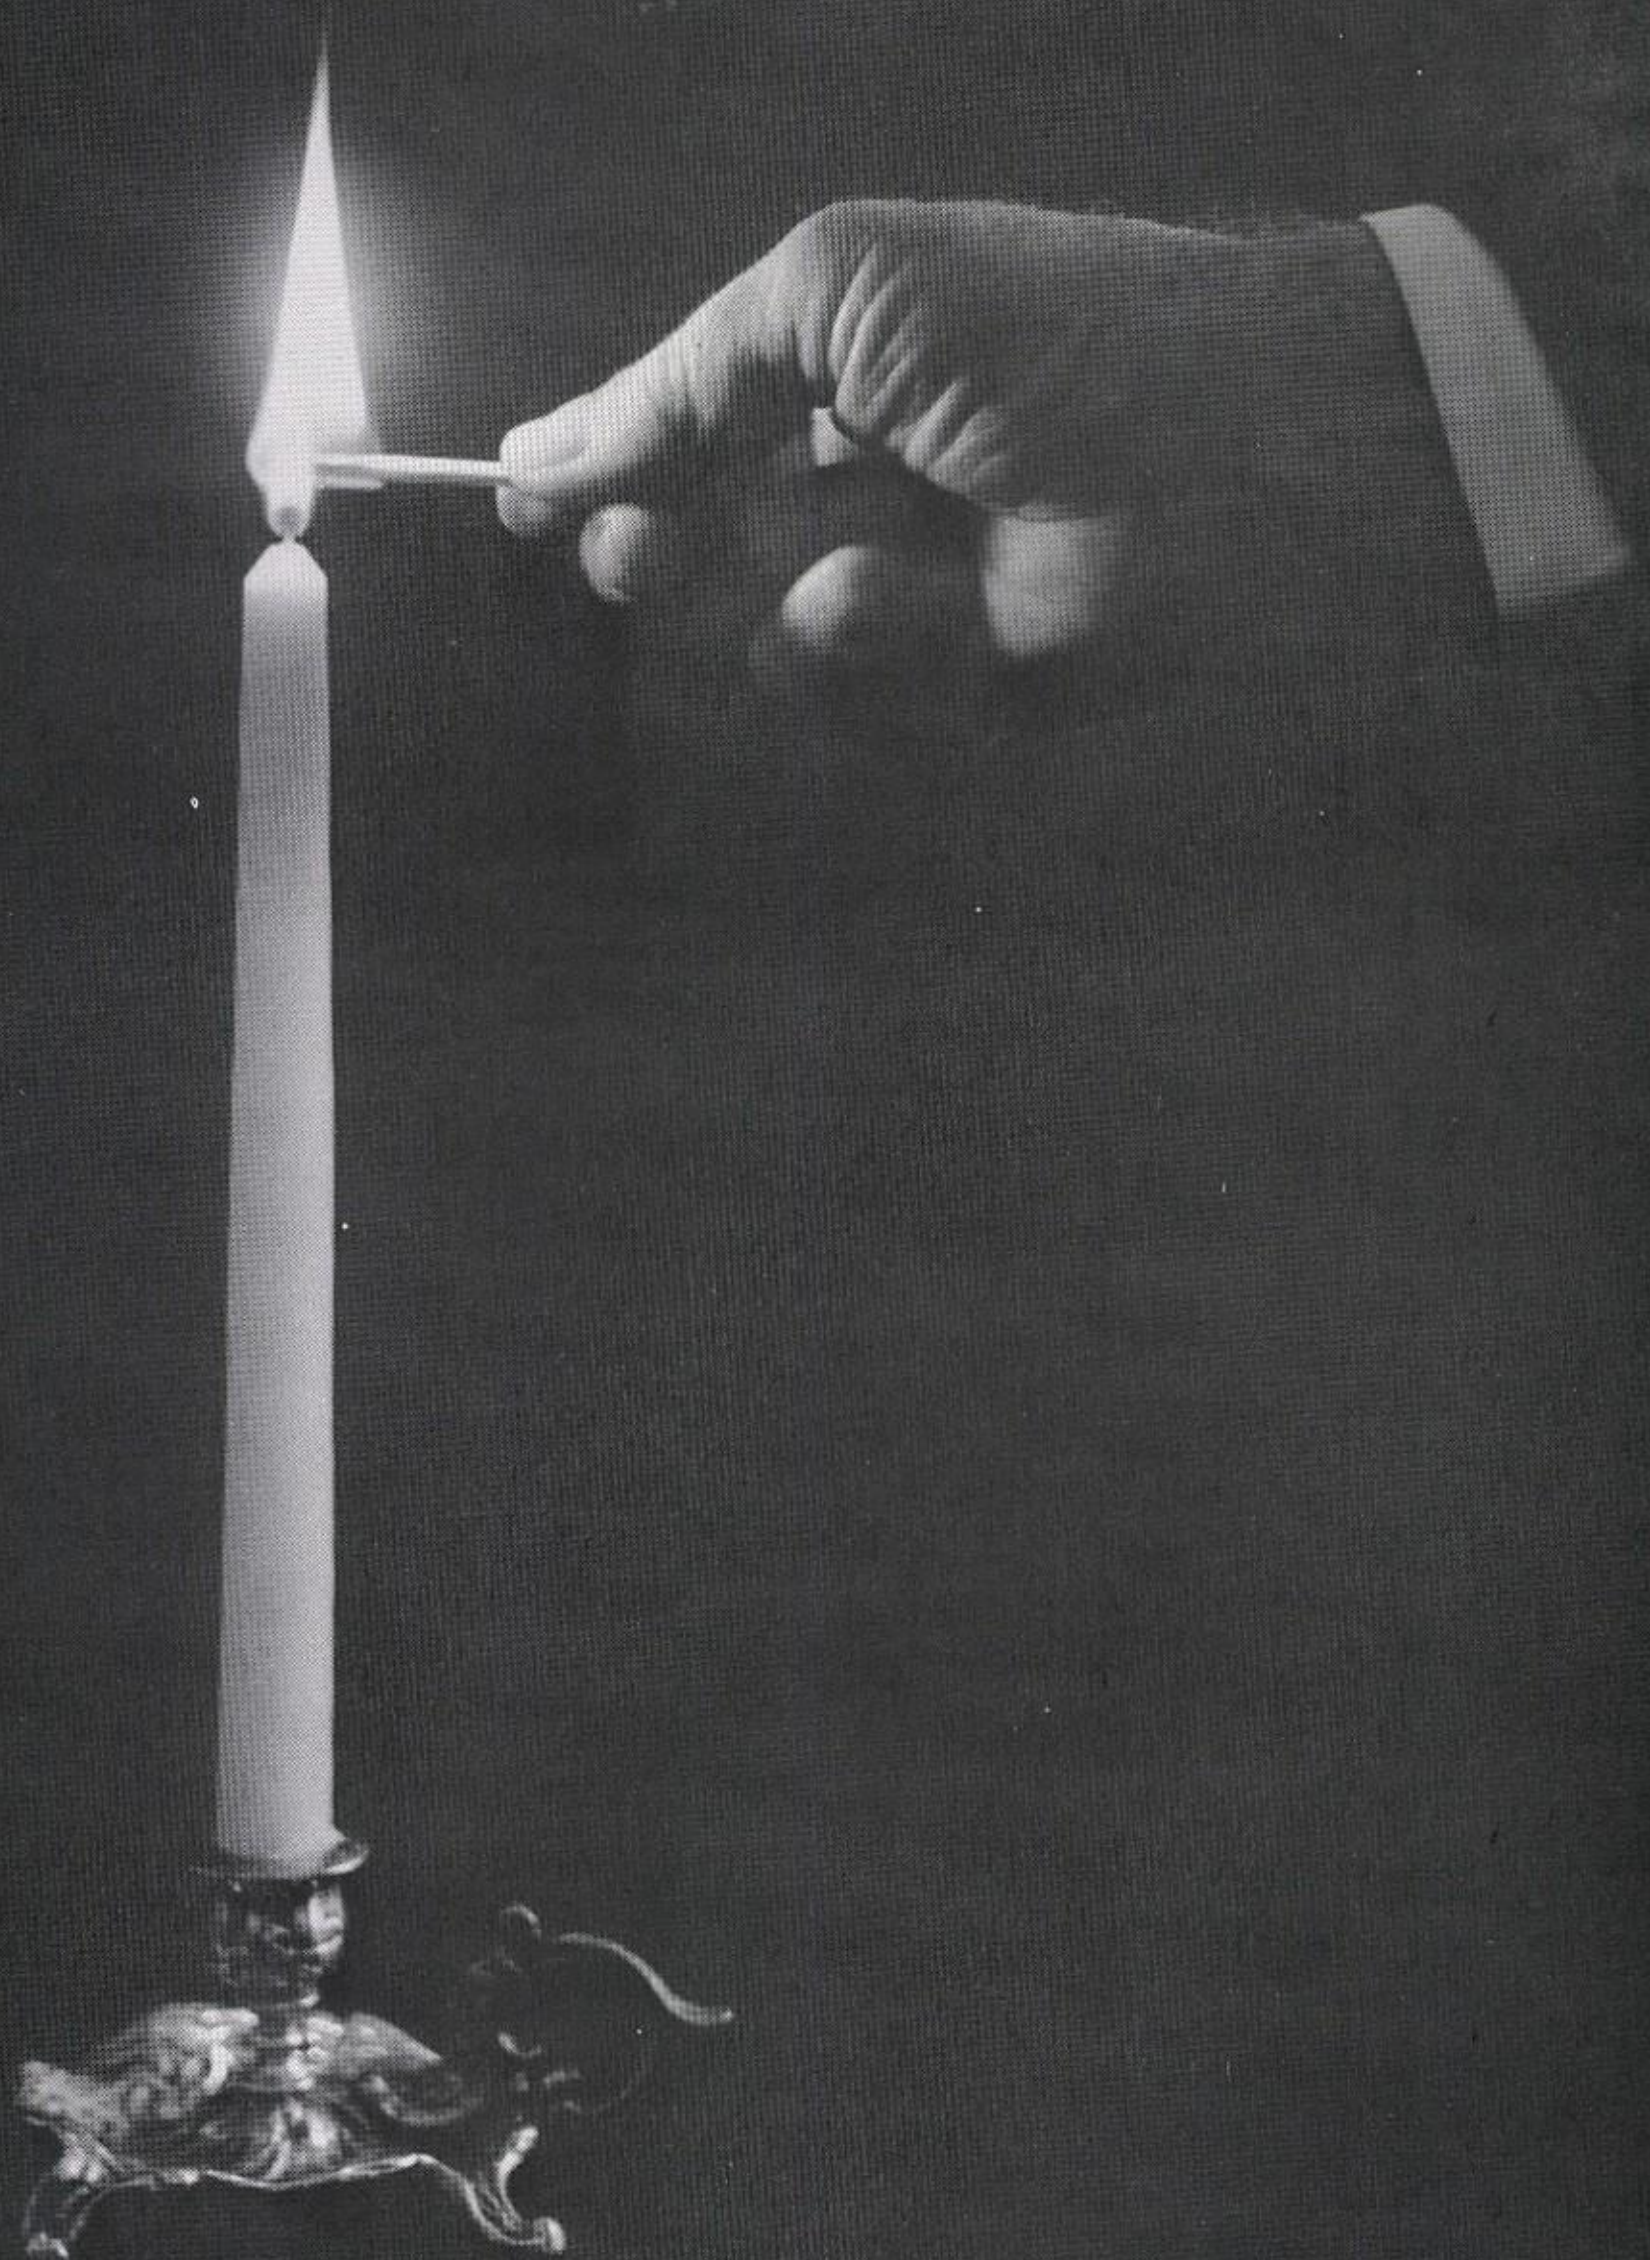

This has been a most pleasant school year, a year in which the joint efforts of faculty and students have brought about a high degree of accomplishment of our purposes in education.

As each of you review the activities of the 1964-65 school year, I trust that this annual will reflect those events which have been a major part of your school life, especially in future years when you have reason to recall them to memory. Congratulations to the Annual Staff for recording them in an excellent manner.

Board of Education

Meeting regularly once a month, the school board is faced with the important tasks of forming school policies, keeping the school provided with necessary equipment and helping the school to run smoothly. They form the vital link between the community and the schools.

A member of the School Board gets little recognition for many hours spent working hard. We would like to say to all of you, who have played such a major role in our life at Throckmorton High School, a very sincere, "thank you."

BUS DRIVERS: Kimbrell, Rodgers, Nash, Hare, Hulcy

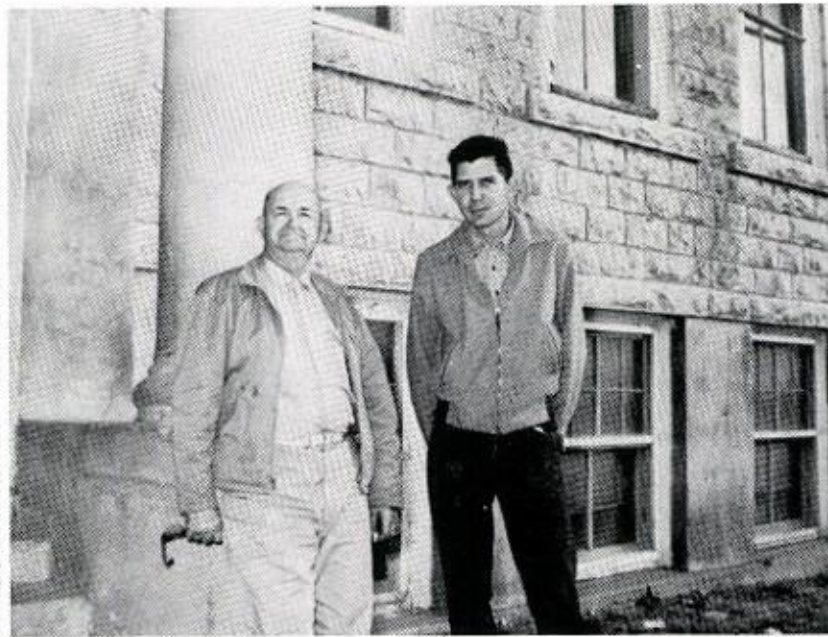

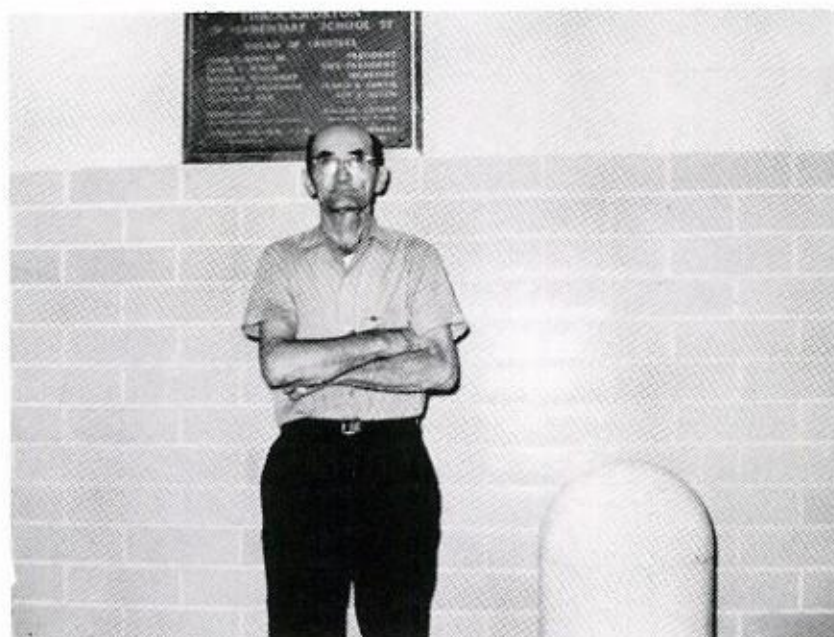

CAFETERIA WORKERS: Bundy, Nichols, Ingram, Smith

Auxiliary Workers

We greatly appreciate the tireless efforts of the auxiliary workers. The cafeteria workers furnish a nutritious meal each day, while the custodians provide a pleasant atmosphere for students and teachers. The courteous bus drivers take the responsibility of safely transporting students to school.

CUSTODIANS: Johnson, Ball, Shankles

High School Principal

He is a well-mannered, easy going man. But under that reserved nature, he is as much fun as any one could be. His warm, easy smile makes him the kind of person any school would be proud to have as its principal. He knows every phase of running a school and can meet almost any crisis with a calm and knowing manner. As a father, teacher, coach, and principal, he knows the need for good schools and education.

Office Workers

Throckmorton students help in the office at many varying tasks. They take attendance, answer the phone, greet visitors, and assist with the general office work. These jobs enable Mr. Boyd to have time for more important tasks.

"Are you ready . . . Hit it!" Throckmorton's Cheerleaders were ready this year and did "hit it" with the help of the band and other enthusiastic Greyhound fans. They were present at all the games to encourage school spirit, promote good sportsmanship, and to cheer our Greyhounds on to District Championship.

MAY I COME IN ?

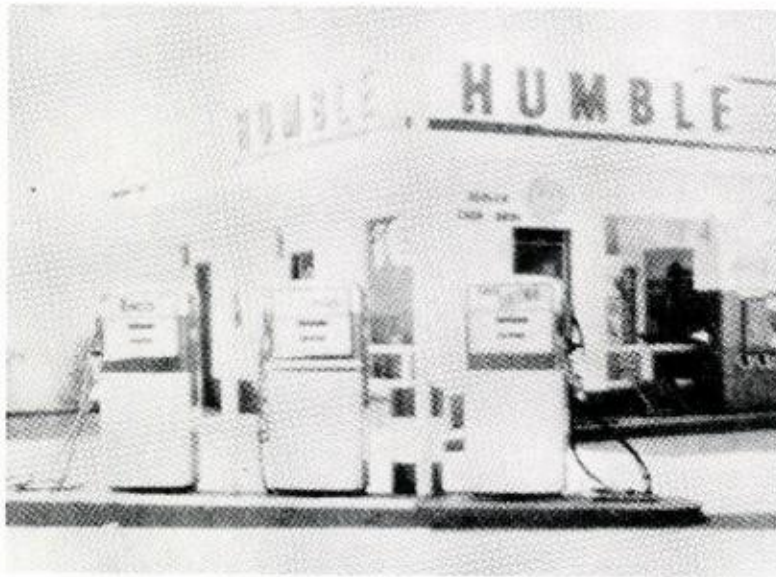

I'm Reddy Kilowatt, and I live the best kind of life of all! My life is good because I'm always welcome . . . wherever I go. That's because all I know how to do is help

people do things. Like make ice cream. Or run the vacuum cleaner. And light a city. I go to work for you at the flick of a finger on a switch. I'm your personal genie, and I like my work!

Thanks to the cooperation we received from our solicitors we were able to publish our 1965 Greyhound Annual. We would like to thank the student body for their help in making this annual possible. We, the Annual Staff, hope that this yearbook brings you many hours of enjoyment.

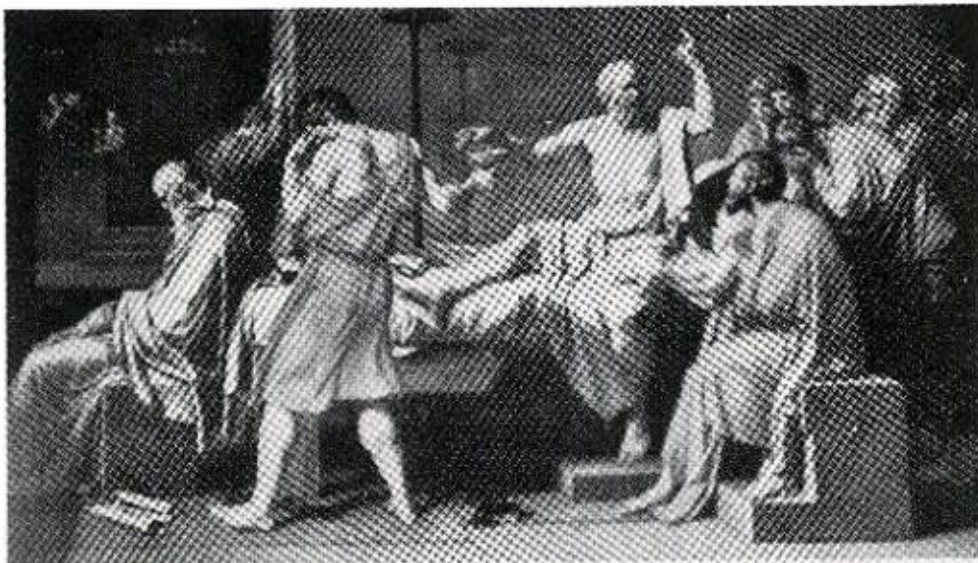

"Ban takes the worry out of being close."

"Sting along with itch."

"Even your best friend won't tell you."

"Caution: do not taste test acids."

"Senior Party"

"What do you mean, stop it? That's the dean of girls and the vice principal!"

"Remember boys, our school gets 20 points for sportsmanship, so no booing!"
